

nuevo manifiesto de cine mexicano
October 12, 2018 – January 26, 2019

Lodos is pleased to present *nuevo manifiesto de cine mexicano* with the work of 37 artists. The exhibition will change constantly throughout its duration. In this way, the works will be in movement and will maintain a dynamic dialogue between themselves.

nuevo manifiesto de cine mexicano is presented as a proposal of meeting and debate. Along with the exhibition and the different installations, a program of parallel activities will be carried out that will end with the release of a publication.

The exhibition begins with the presentation of two pieces, a poisoned fruit by Marco Aviña and a video by Pola Weiss.
